Note: The apportionment of state funds to school districts is certified to the State Treasurer by the Office of the Superintendent of Public Instruction on a monthly basis according to the formula set forth in RCW 28A.48.010. The amounts certified are transferred on the last working day of each month to county treasurers. The moneys distributed in this manner are appropriated from the General Fund and are included in the state's biennial budget.

These amounts include money for the K-12 2000 Student Achievement Act provided by I-728 for smaller class sizes and improvements. For more information on that funding, contact the Office of the Superintendent of Public Instruction.
